Title of publication 1: **Abstract** (Limit: 5 lines):	**The Indian Ocean, From backwater to strategic epicentre** – *(Nomos et Chaos, Nomisma)*, in course of publication A survey of geopolitical and economic developments in the Indian Ocean during 2009, keeping in mind the growing importance of that region to the global economy and India's traditional but disputed supremacy there.	
Title of publication 2: **Abstract:**	**L'Inde, terre du mystere et la demesure** (in French), *(Xenophon, Cahiers de l'Epee, Septembre 2009)* A panoramic presentation of India in its current situation, with special reference to its geographic characteristics, history and culture as they shape its geopolitical role.	
Title of publication 3: **Abstract:**	**Shift in Global Power, the Rise of Eurasia**, *World Public Forum Dialogue of Civilizations*, Rhodes, October 2008 An aanlysis of the process of western social and economic decline and the concurrent return of Asia to global centre-stage, interpreted in the light of Karl Schmitt's theory of the "Katechon".	
Title of publication 4: **Abstract:**	**L'Inde a l'aube d'un monde multipolaire** (in French) *AFRI, vol. 7. 2006* (with Samuel Berthet) A review of India's diplomacy, strategic ambitions, compulsions and guiding ideological and pragmatic considerations, contending that the country is evolving a new, comprehensive foreign policy and national security doctrine.	
Title of publication 5: **Abstract:**	**The First America vs. America First** *(World Affairs, vol. 9, no.2, Summer 2006).* A reversal of the process of domination of Latin America by the North may have begun with the rise of 'Indio-Latin" America, increasingly interconnected with other continents and served by its vast natural resources, fast growing population and rich cultures.	
Title of publication 6: **Abstract:**	**L'India, chiave di volta di una Comunita asiatica** (in Italian), *Eurasia Rivista, no.2,2006* The article presents India in its diversity and also in its ancestral and modern unity and argues that the economic coming together of Asia and Eurasian powers, including Russia, implies the inclusion of India, the link – or gap - between the Middle East and the Far East if this trend is not to be checkmated by the Western Alliance in its endeavour to maintain its preponderance.
